The image shows a two-step process. The top screenshot is the 'Exam Schedule' page in the Credentia CNA365 system. It features a left-hand navigation menu with options: Dashboard, Application, Exam Schedule (highlighted), Grievance Form, Manage Profile, Help, and Registry. The main content area is titled 'Exam Schedule' and contains two exam cards. The first card is for the 'Nurse Aide Skills Exam' and the second is for the 'Nurse Aide Written Exam'. Both cards show a 'Current Status' of 'Exam Scheduled' for 'December 25th, 2021 / 12:10 PM'. Below each card is a table with columns for 'Exam Mode', 'Exam Date', and 'Exam Time', and a row for 'Test Center' with values '12/24/2021' and '7:00 pm CST'. Each card has a 'Show Results' button and a 'Report Grievance' button. A red arrow points to the 'Show Results' button on the Skills Exam card. A large black arrow points down from this section to the second screenshot.

The second screenshot is the 'NNAAP' Skills Exam - Fail report. It displays candidate information: Candidate ID: 5, Examination date: 12/24/2021, Date of Birth: 12/19/2021, and Answer Sheet S.No: 342569591.
